

Department of Computer Science

(A) Academic Year: 2016-17

Extra-Curricular and Co-Curricular Activity:

- Seminar on “**Career Options in upcoming IT industry-SAP**” was organized on 16/02/2017 at SRKI, Surat to create awareness regarding importance of SAP and current opportunities for SAP trained professional in IT industry. Mrs. Avni Desai gave a detailed understanding to the students about the role of SAP in smooth functioning of business processes. Total 125 students from S.Y.B.Sc(CS), T.Y.B.Sc(CS), and M.Sc.(CA) participated in the seminar. Students’ perception regarding the job opportunities in IT sector was broadened by exposing them to various job profiles available for SAP trained professional. At the end of seminar, Mrs. Avni Desai had one to one interaction with the students and she answered to all the queries of students.
- **National Creativity Aptitude Test 2017** was conducted on 25/02/2017 at SRKI, Surat to sensitize the students to the domain of creative thinking and motivate them to read, learn and practice the same. Total 101 students from F.Y.B.Sc(CS), S.Y.B.Sc(CS), T.Y.B.Sc(CS), and M.Sc.(CA) appeared for the test. Out of all students who appeared in first round, 6 students across all class qualified for second round.
- Seminar on “**PG Courses Offered By VNSGU For Computer Graduates**” was organized on 25/04/2017 and 06/05/2017 at SRKI, Surat at regional level. Total 55 students attended the seminar of which 20 students were from regional BCA colleges. Ms. Nidhi Vaniyawala educated the students about the course structure of various Post Graduate Courses available in VNSGU after graduation in the field of computer science. Also students were guided through selecting the course that best suits their ability and career goals. The session ended with the feedback forms been filled by students.
