

## **Report of Activities of Department of Computer Science Year 2015-16**

### **Emerge 2015**

A College Level event EmERGE 2015 was organized during 27<sup>th</sup> Jul, 2015 to 1<sup>st</sup> Aug, 2015 and 2nd September to 3rd September 2015. The main motive behind the event was to explore student's hidden creativity and technical skills.

EmERGE 2015 comprised of various competitions : Poster Presentation, PlayScool, Data Architect, C Sore, Enquiry, Webstar, BugFinder and Pro.Net. Total 150 students from F.Y. B.Sc., S.Y.B.Sc. and T.Y. B.Sc. Computer Science as well as M.Sc.(CA) Sem I & III participated.

The Events created a wave of enthusiasm amongst students to learn and grab things beyond their syllabus.

### **Career Guidance Seminar**

A Seminar on "Facing Job Interviews Wisely" was organized by Department of Computer Science –Shree Ramkrishna Institute of Computer Education & Applied Sciences by Ms. Nidhi Vaniyawala on 7/1/2016. The students of TYCS and M.Sc(CA) were made aware about points to be kept in mind before and during job interviews. The main aim of conducting the seminar was to highlight the Dos and Don'ts of interview process. Students were also shown video of mock job interview of an IT fresher.

### **Interactions of current students with Ex-students**

Interaction sessions of current students with past students were organized with aim of making students aware regarding current industrial trends and technologies. A seminar was conducted by our past students Mr. Dhaval Elachiwala and Mr. Hardik Kotak. Students from FY, SY and TY participated. They were inspired to listen to their inner voice, helped them to find their own area of interests and choose their profession accordingly. Moreover, motivated to keep positive approach and courage in life. The seminar was organized from the holistic perspective for the nurturing of students intellectual, emotional, social potentials.

An interactive session was organized for M.Sc.CA students where they had one-to one interaction with ex-students Vinod Louis and Sohil Desai. The students were motivated to think out of the box and enhance their creativity with respect to IT. Students were made aware regarding the truths and myths of IT industry.

### **Technical Seminars**

Seminar on "Cloud Computing Technology" on 1<sup>st</sup> January 2016 was organized by Department of Computer Science –Shree Ramkrishna Institute of Computer Education & Applied Sciences with collaboration to Prakshal Infotech Pvt. Ltd. . The students of TYCS and M.Sc(CA) were made aware about importance of Cloud and its applications with demonstration.

Seminar on "Cloud Computing Technology and Virtualization" on 8<sup>th</sup> January 2016 was organized by Department of Computer Science –Shree Ramkrishna Institute of Computer Education & Applied Sciences with collaboration to IIHT Pvt. Ltd.
