

Shree Ramkrishna Institute of Computer Education and Applied Sciences

Constituent College of Sarvajani University, Surat

Report Submission

Name of the Event: Blood Donation Camp

Cell/Committee/Dept.: NSS and Community Engagement Cell

Date: September 29th, 2026

Time: 10:00 AM to 3:00 PM

Venue: Room G6, Ground Floor, SRKI

Nature of the Event: Social Activity

Objectives:

- **Promote Life-Saving Awareness:** Educate students and community members on the vital necessity of voluntary blood donation.
- **Support Local Blood Banks:** Provide essential blood units to Surat Raktadan Kendra & Research Centre (SRKRC) for hospital patient care and emergency medical needs.
- **Social Responsibility:** Encourage active youth participation in community service, aligned with the NSS motto "NOT ME BUT YOU!".
- **Build Civic Leadership:** Develop event management, logistics handling, and donor support skills among student NSS volunteers.

Event Details:

Guided by the timeless NSS motto, 'NOT ME BUT YOU', The Blood Donation Camp was organized at the Shree Ramkrishna Institute of Computer Education and Applied Sciences, SRKI campus in association with Surat Raktadan Kendra & Research Centre (SRKRC). This initiative served as a powerful platform for student unity, healthcare support, and civic responsibility.

Below are the comprehensive details regarding the venue, collaborating partners, participant turnout, and administrative execution of the event.

1. Pre-Event Planning:

- **Coordination Meetings:** The NSS Program Officer, member faculties and NSS volunteers held planning sessions to map out space requirements, medical equipment needs, and safety protocols.
- **Awareness Drive:** NSS volunteers conducted campus awareness drives across classrooms and distributing flyers and informing students about donor eligibility criteria (age, weight, haemoglobin levels, and health status) and benefit of blood donation as well as social media post and awareness about camp is managed.

2. Event Setup at Room G6 (Ground Floor, SRKI)

The designated venue was converted into a structured, four-zone healthcare facility:

- **Zone A (Registration & Screening):** Registration desks managed by NSS volunteers, followed by medical screening counters operated by the medical team from Surat Raktadan Kendra & Research Centre (SRKRC).
- **Zone B (Pre-Donation Check-Up):** Mandatory health evaluations including blood pressure measurement, hemoglobin testing, and medical history verification.
- **Zone C (Donation Station):** Clean donor beds with sterile, single-use blood collection kits managed by certified phlebotomists from Surat Raktadan Kendra.
- **Zone D (Post-Donation & Recovery):** A supervised recovery lounge providing refreshments, fluids, and continuous observation for donor safety.

3. Facilitation & Recognition

To appreciate the selflessness of the donors and promote a sustainable culture of regular voluntary blood donation:

- **Certificates of Appreciation and Trophies:** Jointly issued by the NSS Community Engagement Cell, SRKI, and Surat Raktadan Kendra to every donor and trophies are being awarded as special tokens of honour to encourage continuous participation in social causes.
- **Volunteer Recognition:** All 50 NSS student volunteers received commendation from the organizing committee for seamless event coordination.

Event Summary:

On September 29, 2026, the NSS Community Engagement Cell of Shree Ramkrishna Institute of Computer Education and Applied Sciences (SRKI) organized a university-wide Blood Donation Camp at Room G6 (Ground Floor, SRKI). The drive was conducted in collaboration with Surat Raktadan Kendra & Research Centre (SRKRC) and witnessed active participation from students, faculty, and administrative staff across institute and constituent colleges of Sarvajanic University. A total of **50 units** of blood successfully collected, supported by more than 50 dedicated NSS volunteers from SRKI. Team of NSS volunteers have performed short SKIT for blood donation awareness program.

Outcomes:

- **Active Engagement:** Successfully engaged 100 participants across institute and constituent colleges.
- **Direct Community Contribution:** Collected substantial 50 blood units to assist critically ill patients and emergency cases through collaboration with Surat Raktadan Kendra & Research Centre (SRKRC).
- **Leadership Development:** More than 50 NSS volunteers gained practical experience in organizing and coordinating a major community health event.
- **Increased Awareness:** Enhanced health literacy and donor motivation among the student body, encouraging a habit of regular voluntary blood donation.
