Smart India Hackathon (Institute Level)

Event/ Activity Name :- Smart India Hackathon (Institute Level)

Date :- 20th September 2025

Aim/purpose: The event aimed to encourage innovation, promote collaborative learning, and prepare students for real-world challenges by engaging them in industry-oriented problem statements. It also served to identify and shortlist the most promising teams who would represent the institute at the next level of the Smart India Hackathon.

No. of Days :- 01

Details of the event/ activity:

Department of computer science successfully organized an internal SIH Hackathon to identify and nurture innovative talent among students. More than 13 teams participated with great enthusiasm, presenting creative solutions to real-world problem statements. Evaluation process was conducted by various industrial experts and domain expert academicians. After a rigorous evaluation process, the best-performing teams were selected to represent the institute at the next level of the Smart India Hackathon. Their selection reflects the hard work, technical skills, and innovative thinking demonstrated throughout the event. We congratulate all participants and wish the selected teams great success in the upcoming round.

Signature of event/ activity co-ordinators :-

Ms Jayesh Pushtiwala (Head, Computer Science Dept)

Dr. Yesha Mehta (Computer Science Dept)

Dr Charmy Patel (Student Activity coordinator, Computer Science Dept)
