Report of Guest Lecture

Department Name: Chemistry

Activity Name: Guest lecture on Legal aspects and Forensic Chemistry

Date: 21/09/2026

No. of Days: 01

Venue: Room number G-7 (SRKI)

Resource person: Dr. Vaishali R. Koshti (Assistant Professor from Law college)

Aim/purpose: To familiarize students with the legal aspects of forensic chemistry and the importance of scientific evidence in the judicial process.

Details of the activity: A guest lecture was organized to provide students with an understanding of the legal framework of forensic chemistry, the role of forensic evidence, and the application of chemical analysis in criminal investigations and court proceedings.

Semester V students who opted for Forensic Chemistry as a minor subject benefited from the lecture.

Participants: Total 32 students of Semester-V (CH, MB, BT)

Outcome: Students gained a better understanding of the legal aspects of forensic chemistry, the significance of forensic evidence, and its role in criminal investigation and court proceedings.
