Report of Power point Presentation Competition

Department Name: Chemistry

Activity Name: Power Point Presentation Competition for Forensic Chemistry Students

Date: 21/09/2026

No. of Days: 01

Venue: Room number 407 (SRKI)

Resource person: -

Aim/purpose: To enhance students' knowledge of forensic chemistry while developing their research, presentation, communication, and critical-thinking skills.

Details of the activity: A total of 30 students participated in the PowerPoint Presentation Competition, forming 7 teams. The teams presented various forensic chemistry case studies, covering topics such as drug detection, drug abuse in sports, murder cases, and other applications of forensic chemistry.

Participants: Total 32 students of Semester-V (CH, MB, BT)

Judges: 1. Dr. Chaulami Desai 2. Dr. Toral Desai

Outcome: Students enhanced their understanding of forensic chemistry through real-life case studies and developed their research, analytical thinking, presentation, communication, and teamwork skills.
