Microbiology Department

A Report on Activities During Lockdown Phase of COVID-19 Pandemic

An activities undertaken by the faculty members of microbiology department due to lockdown introduce by Government of India to combat covid-19 pandemic are summarize below.

Academic activities:

Almost regular teaching work of this semester is completed by faculties and little remaining part was covered by faculties through on-line and telephonic guidance. Two batches of B.Sc. Sem VI university practical exam are completed before the implementation of lockdown and still another two batch remain uncompleted. Laboratory work for dissertation of M.Sc. Sem-IV students were completed and all dissertation supervising faculties are guiding their allotted students through mail/whatsaapp/telephone about thesis & presentation preparation along with giving suggestion for seminar presentation. All the students are currently preparing for their university theory examination so, faculties are in constant touch with the students through mail/whatsaapp/telephone to solve their queries and guide them to improve their performance by conveying mistakes made by them in internal theory examination.

Co-curricular and extracurricular activities:

All the faculties of the department are engaged in spreading general health awareness about covid-19 among the students and society. Some of the activities carried out by faculty members are summarize here. Dr. Naresh butani has prepared video on how to register for “WHO online course” and convey the students. Dr. Sneha Trivedi has provided information related to webinar and free online courses to the students. Ms. Bhairavi Bhagat has forwarded free journey to health webinar series by Dr. Sankaran's clinic. Ms. Gunjan Patil has guided the students to prepare poster for online corona virus awareness competition. Dr. Ruby Jalgaonwala has guided the students to upgrade their CV and did career counseling. Dr. Manisha Shah was working on writing a book about “Neonatal Sepsis”. Dr. Sanjay Parekh has intimated student about online intensive revision CSIR NET crash course to the PG students.

Faculty development:

Microbiology department faculties were engaged in knowledge enriching activities during the lockdown phase and try to keep update themselves. Faculties like Dr. Sanjay Parekh, Dr. Anjana Ghelani, Dr. Binita Desai, Dr. Manisha Shah, Dr. Smita Rajani, Dr. Naresh Butani by participating in webinar on "CoViD-19 : Virology, Epidemiology, Diagnostics and Prophylaxis" organized by Indian Institute of Teacher Education (IITE), Gandhinagar. Dr. Sanjay Parekh has also participated in webinar of Smt. Anju Sharma, Principal Secretary, Higher and Technical Education, Govt. of Guj. Dr. Manisha Shah has applied for online "Corona Commando" course of SMC. Dr. Helina Patel will register for online remote sensing and GIS technology course.
