**Educational Trip: SMC Biodiversity Park, Althan, Surat &
Sajjan India and NCTL ETPs, Ankleshwar**

Educational trips form a valuable part of curriculum for students. Making Educational trips an essential part of students' academics is an effective idea to motivate them to learn more. Environment Science Department of SRKI, Surat organized a one day Educational Visit to SMC Biodiversity Park, Althan Surat on Saturday, January 4, 2020 for FY and SY Environmental Science students which helped in inculcating scientific aptitude in the students towards plant sciences and biodiversity.

Another educational visit was organized to ETPs of Sajjan India and NCTL, Ankleshwar on Thursday, January 23rd, 2020 for TY and M.Sc Environmental Science students. The visit helped in inculcating scientific aptitude in the students towards Effluent Treatment.

The trip was accompanied under continuous guidance of Dr. Ratna Trivedi, HoD and Dr. Pratik Patel, Trip In-charge.

Objective of the educational trip:

- To know various processes and its principle of effluent treatment in industry's.
- To study functioning of various components in ETPs.
- To learn about the importance of sustainable use of water.
- To learn discharge norms.
- To learn about various coagulants and microbes in wastewater treatment.
- To observe functioning of primary, secondary, tertiary treatment.
