

Accredited 'B' Grade (2.67 CGPA) By NAAC

SARVAJANIK EDUCATION SOCIETY

**Shree Ramkrishna Institute of Computer Education
& Applied Sciences**

(Sarvajnik Institute of Computer Education)

M.T.B. College Campus, Athwalines, Surat-395 001. Ph : 2240172

Department / Committee Name :- Microbiology Department

Event/ activity Name :- Guest lecture Series for Post Graduate Students

Date :- 21-08-2015

No. of Days :- 1

Venue :- Dr. K.C.Mehta Hall, MTB College

Level :-College

Collaboration (if any) :- SRL Laboratories.

Resource Persons (if any) :-

- Dr. Nasreen Munshi – Asst. Prof., Nirma University, Ahmedabad.
- Dr. Prafull Kothari- Physician, Sakshi Hospital, Surat
- Dr. Tejal Bhatt – Pathologist, SRL Laboratory, Surat
- Mr. Ujjawal Trivedi – M.S. University, Vadodara.

Aim/purpose : To introduce our post graduate students with the thirist area of microbiology and explore recent developments in the field.

Details of the event/ activity :

In the inaugural function of guest lecture series for post graduate students, Director of the institute Dr. P.B.Desai has welcome guest and resource persons with flower and express gratitude towards them in her welcome speech.Dr. K.N Dumasiya – President of the function has congratulated the institute for organizing such knowledge sharing event and take note of progress made by the institute since its inception. Chief Guest of the function Dr. K.G. Naik- Abha Laboratory, Surat has motivated the students for participation of such events and guided them to shape their career in the field of microbiology and Medical laboratory technology. Dr. Sanjay Parekg- Dept. In-Charge has introduce the resource persons and Ms. Anjan Ghelani has

delivered a Vote of thanks. Dr. Nasreen Munshi from Nirma University, Ahmedabad has delivered her lecture on “**Combined Industrial Effluents: Functional Microbial diversity exploration and applications for bioremediation**”. She has explained the role of microorganisms in treatment of industrial effluents. Another resource person Mr. Ujjawal Trivedi from M.S. University, Vadodara has enrich the students by delivering his lecture on “**Molecular Control in Cyanobacterial Nitrogen Fixation and Beyond**”. In the post lunch session, a well known physician of the city Dr. Prafull kothari has give details about “**Vitamin Plus Test**”. Dr. Tejal Bhatt, Pathologist of SRL Laboratory has give information about the service provided by the SRL laboratory and invites students to visit their lab.

Participants:- (Total no.:- 90 students)

Winners (if any) :- Not Applicable

Outcome: - Students have learned the applications of microbial diversity for bioremediation and How nitrogen fixation in cyanobacteria can be controlled efficiently. In the lecture of Vitamin Plus test, resource person has explain the harmful effect of vitamin deficiency in humans and it's diagnosis.

Signature of event/ activity co-ordinator :-

Dr. Sanjay Parekh. Dept. In-Charge, Microbiology.
