Institute letter head

Department Name :- Biotechnology	
Event/ activity Name :- Guest Lecture on “ First Aid”	
Date :- 10 th August’2016	No. of Days :- 01
Venue :- Room No. 406, Fourth Floor, SRKI, Surat	Level :-College
Collaboration (if any) :- None	
Resource Persons (if any) :- Dr. Lataben Ningoo, Homeopath Practitioner, Shushrut Hospital, Surat	
Aim/purpose: To make student aware, how to handle emergencies using First Aid Kit & techniques.	
Details of the event/ activity: Dr. Lata Ningoo was cordially welcomed by T.Y. students with a memento. Dr. Nehal Shah introduced the topic of the day & also introduced the guest to the students. Dr. Lata shared what is first aid, why it is essential, first aid related to accidents, fractures, heart & brain strokes, animal bites, choking, fire & burn, chemical spillage, cuts & bruises, etc during her talk with the help of power point presentations & videos. She also checked the understanding of the students by objective test during the lecture time to time. She demonstrated & showed video on CPR (cardiopulmonary resuscitation. Overall it was a very good session which helped students learn basic biosafety to be followed in labs & otherwise.	
Participants:- Third Year Biotechnology (Sem5) students – 63 students	
Winners (if any) :- Not Applicable	
Outcome: - Students learnt how to handle medical /accidental emergencies & follow precautions & safety mechanisms during different situations in domestic life. Many students clarified their queries related to general medicines, first aid box , dressing etc.	
Signature of event/ activity co-ordinator :- Dr. Nehal D. Shah
