

Inter- College Extension Lecture -2020
Report on an expert lecture on “Analysis of Algorithm” organized by
Department of Computer Science on 7th February, 2020

Event / activity Name:- A Inter- College Extension Lecture on “Analysis of algorithm”

Reference: 1. VNSGU Permission letter no uk and sa.si/17025/2019-20 dated : 29/08/2019.

Date:- 07/02/2020

Venue:- Room-G6, Shree Ramkrishna Institute of Computer Education and Applied Sciences

Aim / purpose: To provide knowledge about **Analysis of algorithm through Big O.**

No. of Days :- 01

Level :- College (S.Y.B.Sc.,T.Y.B.Sc. , M.Sc CA)

Details of the event/ activity: The technical session of two hours was conducted by Dr. Ravi Gulati, Associate Professor, Department of Computer Science, VNSGU, who explained the importance of efficiency of algorithm. He lead the session in the direction of measuring algorithm complexity and efficiency.He also gave ideas about how to improve upon them.Students from Computer Science interacted enthusiastically in the expert session by asking questions and solving their doubts.

The program was coordinated by Mr.Shripal Shah and Dr. Kinjan Chauhan, Dr. Chaulami Desai, I/c Principal welcomed our guest. At the end of the session, Mr. Shripal Shah casted vote of thanks ,and Mr. Jayesh Pushtiwala facilitated the resource person with momento.

Suggestions:

- Such sessions should be conducted frequently on various topics.
- Student have given the positive feedback about guest lecture.

Signature of event / activity coordinator:-

Mr. Shripal Shah 
Dr. Kinjan Chauhan 

Mr. Jayesh Pushtiwala
