Report on Guest Lecture on “Planet Hormones”

Department Name :- Biotechnology

Event/ activity Name :- Guest Lecture on “ Plant Hormones”

Date :-3rd Sep.'2016

No. of Days :- 01

Venue :- Room No. 406, Fourth Floor, SRKI, Level :-College
Surat

Collaboration (if any) :- None

Resource Persons (if any) :- Dr. Falguni Sheth, Assistant Professor, Botany, Barthana Science College, Surat

Aim/purpose: To provide better learning experiences & opportunities to the students.

Details of the event/ activity: S.Y. Biotech. Sem 3 study topic on plant hormones as a part of their Eukaryotic Physiology subject in Core 1 subject. Also this topic is very essential base for them from the point of view of plant tissue culture, agriculture biotechnology & plant biotechnology. With an aim to provide the best, this guest lecture was arranged. Dr. Falguni was welcomed & introduced to the students by Dr. Nehal Shah with a memento. She started her lecture with history of plant hormones. At the end he speaker also suggested names of reference books to the students. Students enthusiastically shared their experiences & gave vote of thanks.

Participants:- 56 students of Second Year Biotechnology (Sem. 3)

Winners (if any) :- None

Outcome: - Students could grasp the basic concepts of plant hormones, their types, uses & properties. They also learnt the significance of plant hormones in Plant tissue culture technique & agri-biotechnology. Many asked questions related to future scopes in plant science, plant biotechnology & agri-biotechnology fields.

Signature of event/ activity co-ordinator :- Dr. Nehal D. Shah
