**Details of the event/ activity:**

Along with the support of central training and placement cell of Sarvajanik education society, the career guidance training program has been organized for final year students. In the said event , 179 students and 10 faculty members participated. The program has been started with brief introduction of trainer Mr. Manish Mali, followed by question-answering with students related to their queries about their career. The speaker interacted on various topics such as “self-introspection-know yourself, hobbies, likes, dislikes,passion,interest and attitude towards life”. During the session, the speaker also emphasized on SWOT analysis and insisted students to perform SWOT analysis on weekly or fortnight basis. He motivated the SRKI students for grabbing the opportunities which life provides and suggested them to become conscious, precise and accurate in life. He highlighted

on few individual personal attitudes which student should develop such as increase resourcefulness, save time, wear neat and clean dress to develop positive attitude. At the end of the session, the speaker individually solved each student doubt regarding grooming their career. Overall, it was a good session for the students towards their holistic future development.

**Participants:-**

10 Teaching staff members of SRKI as well as 179 students of Final year B.Sc. and M.Sc. Microbiology, Biotechnology and Environment Science remain present and participated in the event.

**Outcome:**

Students came across the fact that attitudes towards life and our career are like two sides on the same coin. Life and career are highly coupled to each other.
