

Department Name :- Biotechnology

Event/ activity Name :- Visit to Zeal Aqua Company

Date :- 14-02-2018

No. of Days :- 01

Venue :- Orma , Olpad, Surat

Level :-Postgraduate

Aim/purpose: To expose students to prawn processing processes & provide realistic experience of the same.

Details of the event/ activity:

M.Sc. Sem 8 studies Aquaculture technology as one of the theory & practical papers. To provide better understanding for the same, trip to Prawn Processing Unit of Zeal Aqua Company was organized.

Participants: - M.Sc. Sem 8 Biotech Students (40 total number) + 2 Faculties (Dr. Nehal Shah & Ms. Twisha Patel)

Outcome: - Students saw the complete Processing Unit, the QC section & Laboratories of the Company. Dr. Guruprasad, Factory Incharge delivered a lecture on present status of Prawn Industry & the staff gave company details through a power point presentation. The company has also responded positively for recruitment of M.sc./B.Sc students. Also their experts are rady to come for guest lectures to the institute & help in making aquaculture curriculum more practical for better jobs availability to the students. Overall it was a lifelong experience for the students.

Signature of event/ activity co-coordinator :- Dr. Nehal D. Shah
